Past Peace Heroes

We are thrilled to host the 2025 Peace Hero Gala honoring Abby Wambach, the inspirational role model chosen by Kids for Peace youth around the world.

We will come together to celebrate not only our esteemed Peace Hero but also our sponsors, donors, volunteers and program participants!

This year's gala is going to be fun and impactful as we aim to raise \$200,000 to support our important programs.

The night will be full of heartfelt moments, great food, drinks and entertainment! We hope you will support us and join this magical event.
